## Pop-up Features

All the 'spares' and accessories you need for your pop-up display.

## Shelving

For curved and straight systems.

## Balloon Panel Kit

Lighting kit for translucent panel, which may be overprinted.

(Panel not included)

## Modular Exhibition Stands

It is possible for us to create a range of pop-up configurations for presentations and exhibitions. Our CAD design team will be happy to assist you with your design.

## Stabilising Foot

Recommended for straight systems or where internal or external load-bearing shelving is used.

## Case to Counter Conversion Kit

Ellipse and Deluxe pop-up cases may be converted into counters, with a table top insert and a choice of beech or fabric wraps. Alternatively you may wish to use your own graphic.
